# Global event solutions

The Deon Mama Event Agency is the haute couture of South African event design, providing unique event solutions tailored to our clientele's particular needs. Our services are unparalleled due to a rare combination of industry knowledge, hands-on experience, dedication to customer service and long-term relationships with our valuable and esteemed clientele.

Our management team and our support staff not only boast years of experience in the industry, but also a thorough knowledge and understanding of the critical issues that confront organisers, production companies and venues.

At Deon Mama Event Agency we provide comprehensive solutions to the event, hospitality and production industries. From décor and draping, flooring and carpeting, to bar services, furniture and catering – the Deon Mama Event Agency prides itself in world-class expertise in delivering these services. We are the leader in the installation of temporary structures and the transformation of these structures into the perfect space for our customers to host their events.
